

TOUR EDGE HL3 DRIVER RANKS HIGH IN MY GOLF SPY MOST WANTED DRIVER TESTING

In recent television advertising, Tour Edge claimed Hot Launch 3 line performs as well as or better than clubs costing two or three times as much.

Thanks to MyGolfSpy.com, now there's even more independent data to back that claim.

In recent My Golf Spy Most Wanted Driver tests, MyGolfSpy.com used a test pool of 35 golfers and collected more than 10,000 shots with 25 different drivers.

The HL3 driver ranked tied for 6th out of 25 drivers in the high swing speed driver test and ranked tied for 9th out of 25 drivers in the moderate swing speed test.

See test results data below:

THE BEST DRIVERS FOR HIGH SWING SPEEDS (105+ MPH)

- Tour Edge's Hot Launch 3 straight driver tied for the #6 ranking with six other drivers.
- HL3 tied or beat out 20 of the most popular drivers available.
- Seven drivers tied for performance at #6 - HL3 is \$189. Three of the other drivers cost \$499. The other three sell for \$399.
- The 13 drivers that HL3 outranked have an average cost of \$410.53.
